PROFESSIONAL EXPERIENCE

Web Development Intern

TATVASOFT - Ahmedabad

May 2023 – June 2023 (Online)

- Discover the power of React with our comprehensive e-cell book project.
- Dive into the world of building web applications using React.js, from fundamentals to advanced concepts.

Web Development Training

Zealousweb Technologies Pvt. Ltd. - Ahemdabad

April 2023 – Jan 2024 (onSite)

- This internship offers a valuable opportunity to gain hands- on experience with react.js, a powerful and widely-used JavaScript library.

PROJECTS

College Complaint registration system

- The College Complaint Management System is a web application in which Employee can submit complaints, view the status of their complaints, and receive updates.
- This system also serves as a centralized platform for complaint registration, facilitating efficient handling and resolution of issues by the designated personnel.
- Technology Stack** : HTML,CSS, Express, Javascript, Node.js, MongoDB.

Doctor Appointment Booking

- Developed a MERN stack web application enabling online booking of doctor appointments.
- Implemented payment gateway integration using Razorpay for booking appointments.
- Interactive Symptom Checker Implemented a gender, age, and symptoms based interactive disease predictor using a healthcare.
- Technology Stack**: React, Express, Node.js, MongoDB.

Project Management Tool

- Developed a robust Microservices architecture: Utilized Node.js and Express.js for building efficient and lightweight RESTful services.
- JWT Token-Based Authentication: Implemented JWT token-based authentication with Passport.js for secure registration and authentication of both admins and users. User roles and authentication flows were managed with Passport strategies, ensuring a secure user session.
- Technology Stack**: HTML,CSS, JavaScript, Express.js , Node.js, MongoDB.
