

About Me

Creative and detail-oriented graphic designer with a passion for visually impactful design. I specialize in crafting clean, effective visuals across digital and print mediums. Dedicated to blending aesthetics with strategy to create memorable brand experiences.

Education

D Y Patil International University
2019-2023

Bachelors in Design (Specailized in Graphic Design)

Experience

DViO Digital Pvt. Ltd
AUG 2023 - Present

Graphic Designer

I've had the privilege of working with a variety of brands, including RummyCircle, Mansion house , and VYRL. My experience spans across contributing to national-level campaigns, where I've focused on driving results through performance marketing and creating engaging social media designs. This has allowed me to blend creativity with strategy, ensuring each campaign meets and often exceeds its goals.

Heimdall capital UG
DEC 2022 - MAY 2023

Graphic Designer

I've gained extensive experience in the Web3 crypto space, collaborating with international clients to drive brand growth through social media, branding, and influencer marketing. I've developed strategic campaigns that establish strong brand identities, engage diverse audiences, and build credibility through key industry partnerships.

OKZ Flims
Freelance

I served as the creative director at OKZ for their web series "Anatakarma," where I handled all promotional materials, including posters, event banners, and overall branding. My role involved creating a cohesive visual identity that effectively promoted the series and enhanced its presence in the market.
